

NOTICE OF SELECTION RESULTS – CRABOOST PROJECT

The **Food Safety and Veterinary Institute (FSVI/ISUV)** announces the results of the selection procedure for experts to support the implementation of the **CRABOOST Project**, funded under the **Interreg IPA ADRION Programme**.

Following the completion of the evaluation and selection procedure, in accordance with the applicable project and programme requirements, the following candidates have been selected:

Project Manager

Mr. Athanasios Paloudis

Technical Manager

Mr. Gazmir Gjoni

The selected experts will contribute to the effective implementation, coordination, and technical management of the CRABOOST Project activities within the responsibilities assigned to FSVI/ISUV as a project partner.

FSVI/ISUV congratulates the selected experts and looks forward to their contribution to the successful implementation of the CRABOOST Project.
